

## Valerian-Melissa Nerve Capsules

Nutritional supplement with valerian, melissa and B-vitamins

### Useful information:

The genuine valerian (*Valeriana officinalis*) is native European plant that has been highly valued for centuries. The typical intensive scent is mainly due to the essential oils contained in the roots. The traditional, well-known calming effect of valerian is attributed to the natural interplay of all contents. Melissa (*Melissa officinalis*), whose fresh leaves release a lemony scent, is also long known to have a beneficial affect on the nerves and mood. A special combination of B vitamins contributes towards the healthy function of the nervous system and mind.

### Ingredients:

Valerian Root Powder (41 %), Melissa Leaf Powder (41 %), Gelatine, Magnesium Stearate (separating agent), Vitamin B6 Hydrochloride, Vitamin B2, Vitamin B12.
