

## Egyptian Organic Black Cumin Seeds

Pure, Egyptian Organic Black Cumin Seeds (*Nigella sativa*) serve as a tasty spice for salads, vegetables, meat and poultry dishes. They also develop their unusual aroma when used as a bread spice, such as for Turkish flatbread. Can also be prepared as tea: Pour boiling water over 1 tablespoon per cup, infuse to taste and enjoy with milk, cream or honey.

**Ingredients:** 100 % Egyptian Black Cumin Seeds from controlled organic cultivation.
