

L-Carnitine Capsules

Nutritional supplement
vegan

L-carnitine is an endogenous naturally occurring compound that is found mainly in meat, but also at low concentration in vegetables, fruit or dairy products.

L-carnitine plays a role in the **energy and fat metabolism** of the cells as organic carrier for the transport of long-chain fatty acids into the mitochondria.

Carnipure™ offers the purest L-Carnitine and is a trademark of the Lonza INC., Switzerland.

Ingredients:

L-Carnitine L-tartrate (78 %), hydroxypropyl methylcellulose, separating agent Magnesium Stearate.

Each capsule contains 300 mg of pure L-Carnitine.

| | per capsule | per daily dose (= 4 capsule) |
|-------------|-------------|---------------------------------|
| L-Carnitine | 300 mg | 1200 mg |

No Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.

Suggested use: Take two capsules two times daily with sufficient liquid.

Store in a dry place below 25°C. Protect from light.

Nutritional supplements should not be used as a substitute for a varied, healthy diet and do not replace a healthy lifestyle. Keep out of reach of young children. The recommended daily dose should not be exceeded.

Made in Germany

Contents 180 capsules = 102 g
