

Age Spot Roll-On

For easy, convenient, targeted application on age spots. The formula with the extract from the leaves of the bearberry makes age-related pigment spots lighter and brighter and eventually fade. Allantoin and hyaluronic acid ideally complement the care and provide moisture.

Application: Simply apply 2 to 3 times daily to the age spots.

Ingredients: Aqua, Glycerin, Pentylene Glycol, Propanediol, Saccharide Isomerate, Arctostaphylos Uva Ursi Leaf Extract, Mitracarpus Scaber Extract, Sodium Hyaluronate, Allantoin, Gluconic Acid, Butylene Glycol, Citric Acid, Dithiooctanediol, Sutilains, Sodium Metabisulfite, Sodium Citrate, Beta-Carotene.
