

MSM-1000-PLUS Tablets

Nutritional supplement with methylsulfonylmethane and vitamin C
vegan

Useful information: MSM (Methylsulfonylmethane) - although it sounds like a chemical, it is an organic sulphur compound produced by nature that is found in plants, all vertebrates and also naturally in the human body. Vitamin C is commonly known for its role in the immune system, but it is also involved in the formation of collagen, which is essential for bone and cartilage function. Especially people who are active in sports and all those who want to stay mobile and vital should pay attention to the function of their bones, cartilage and joints.

Ingredients: Methylsulfonylmethane (83 %), Microcrystalline Cellulose (bulking agent), Vitamin C, Magnesium Stearate, Silicon Dioxide (separating agent).

	per tablet	per daily dose (= 2 tablets)	% of NRV recommended daily dose*
Methylsulfonylmethane (MSM)	1000 mg	2000 mg	**
Vitamin C	15 mg	30 mg	38

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

**no reference value available yet
