

## Beauty-Drink for Men

Nutritional supplement with collagen peptides, hyaluronic acid, vitamins, zinc and copper.

### Useful information:

The "beauty secret" of many men? Go for a walk once a week, eat plenty of hearty food, no sport. No wonder that the appearance leaves a lot to be desired over the years. Now the time has arrived for the Beauty-Drink for Men! The balanced formula supports the health of skin and hair with zinc and biotin when used regularly. Copper supports the maintenance of normal connective tissue and makes an important contribution to normal energy metabolism. Selected vitamins and minerals complement nourishment from within - simply and effectively. A pleasant, fruity and tart flavour. A bottle a day for a more attractive, healthier appearance!

- Collagen peptides (VERISOL®)
- Hyaluronic acid is a natural element of the skin and connective tissue.
- Vitamin C contributes towards the production of collagen, and therefore towards the normal, healthy function of bones, cartilage, skin and teeth.
- Copper contributes towards the retention of normal connective tissue and normal energy metabolism as well as healthy pigmentation of skin and hair.
- Zinc and biotin are important beauty substances for the maintenance of normal, strong hair and a healthy, radiant skin.
- Vitamin E, zinc and copper play a role in protecting the cells against free radicals, also known as oxidative stress.
