

Eskimo Protective Hand Cream

Gives the hands protection, care and moisture

Has a soothing effect and protects the skin from the cold and other environmental influences.

- **Without fragrances, colorants and preservatives**

Concentrated protective hand cream with 5% urea. Urea is a key component of the skin's natural moisturising factor (NMF) and is becoming increasingly important in the treatment of chronically dry skin - whether it be caused by old age or illness.

Eskimo Protective Hand Cream goes a long way, absorbs quickly and makes the skin soft and supple.

Ingredients:

Aqua, Urea, Glycerin, Cetearyl Alcohol, Pentylene Glycol, Stearic Acid, Dimethicone, Palmitic Acid, Sodium Cetearyl Sulfate.
