

Hyaluronic acid eye roll-on

The refreshing kick for a glowing, alert look!

The light, oil-free gel with skin-smoothing hyaluronic acid and moisturising Aloe Vera provides a fast, pleasant, cooling "lifting effect" for the eye area. Fine lines are reduced, the skin is refreshed and tightened. In the morning, after a long night or just when required, circle the eye area gently with the roll-on and gently massage the gel in. Does not contain any aromas or perfume oils.

Ingredients: Aqua, Sorbitol, Saccharide Isomerate, Aloe Barbadensis Leaf Juice, Sodium Hyaluronate, Nannochloropsis Oculata Extract, Pullulan, Aloe Barbadensis Leaf Extract, Potassium Sorbate, Phenoxyethanol, Sodium Benzoate, Dehydroacetic Acid, Benzoic Acid, Citric Acid, Sodium Citrate.

Avoid direct eye contact.
