

KARAKUM FOR MEN Soap

This luxurious soap bar cleans the skin mildly but thoroughly, leaving behind a fresh, herbal-spicy scent of opulent woods and herbs. Does not dry out the skin! Due to its high proportion of glycerine, Karakum soap, foamed by hand or using a brush, is also ideal for wet shaving.

Ingredients: Sodium Palmate, Sodium Palm Kernelate, Aqua, Glycerin, Parfum, Sodium Chloride, Tetrasodium Etidronate, CI 75810, Benzyl Salicylate, Alpha-Isomethyl Ionone, Limonene, Coumarin, Linalool.
