

## General Purpose Soap

Ideal for thorough, gentle cleaning  
of washing, kitchen appliances,  
dishes, household appliances and more.  
Halogen-free. Chlorine-free.

Cleansing cream with a soft consistency and a pleasant, wonderfully fresh fragrance. Universal in use for very different washing and cleaning tasks. All-purpose Soap is ideal for all types of delicate laundry in hand washbasins, for the preliminary treatment of shirt collars and cuffs, for thorough cleaning of windows, doors, painted furniture, tiles, tubs, furniture textiles, carpets, plastics, stone flooring etc., and also for gentle car washing and thorough interior cleaning.

**Application:** All-purpose Soap is easy to dose and highly soluble. 2 tablespoons for 10 litres of hot or cold water are sufficient. Read the label before use.

**Ingredients:** 5 % - < 15 % anionic surfactants, < 5 % non-ionic surfactants, fragrances (limonene, farnesol, citral), preservative (Benzoic Acid).  
Contains limonene, farnesol.  
May cause allergic reactions.
