

After-sun SOS Repair Lotion

- Calms immediately
- Soothes sunburn
- Supports regeneration

Have you lain in the sun too long? Now you have to act fast! The pleasantly light After-sun SOS Repair Lotion by Sanct Bernhard calms damaged skin immediately. The complex of active ingredients comprising balloon vine, blueweed oil, aloe vera, allantoin and betain soothes the painful feeling of heat and tension, has an inflammation-inhibiting effect, dispenses beneficial moisture and supports the regeneration of the skin and the skin barrier.
