

Omega-3-6-9 Linseed Oil Dog Capsules

Nutritional supplement for dogs with linseed oil

Useful information:

Tierlieb Omega-3-6-9 Linseed Oil Dog Capsules are rich in unsaturated essential fatty acids, contain natural vitamin E and provide energy. The cold-pressed oil from valuable linseed (*Linum usitatissimum*) is characterised by its particularly high natural omega-3 fat content of approx. 55 %. The omega-6 fatty acid linoleic acid contained supports many bodily functions and is not only important for growing animals.

In dogs, linseed oil supports a normal, healthy coat and skin metabolism as well as general physical condition. The purely plant-based vitamin E in Tierlieb Omega-3-6-9 Linseed Oil Dog Capsules has a high bioavailability, prevents deficiency and thus contributes to the protection of cells against oxidative stress.

Analytical contents: Crude Protein 19.3 %, Crude Fat 72.8 %, Crude Ash 0.17 %, Crude Fibre 0 %.

	per kg	per capsule
Linseed oil	733 g	500 mg
of which unsaturated fatty acids	656 g	447 mg
of which		
Alpha-linolenic acid	403 g	275 mg
Linolenic acid	82 g	56 mg
Metabolisable energy (ME)	29.9 MJ (7,134 kcal)	0.02 MJ (approx. 4.8 kcal)

Composition: Linseed oil (73.3 %), Gelatine (beef), vegetable Glycerine.

Nutritional additive/kg: 2,000 mg natural vitamin E of plant-based origin.

Feed recommendation per day:
