

## Organic Pumpkin Seed Oil

roasted, cold pressed  
Gourmet-quality

This delicacy is made from certified organic, genuine pumpkin seeds (*Cucurbita pepo*) in Lower Austria. Because of its deep green color, it is also known as "green gold" of Austria. The pumpkin seeds are roasted to enhance the fine nutty flavor. Afterwards they are gently pressed without heat supply.

Our Organic Pumpkin Seed Oil is an exquisite delicacy of the fine, superior cuisine. Its spicy-nutty flavor will add a nice touch to salads, soups, vegetables and desserts.

Protected from light and keep at room temperature. Do not heat.
