

Swiss Pine Oil

100% pure essential oil

The Swiss pine native to the Alps, also known as stone pine, gives off a pleasantly tangy and spicy fragrance, which many consider beneficial for a healthy, restful sleep. The 100% pure essential pine oil (Pinus Cembra) is wonderful as a sauna infusion or to improve room air. Provides a pleasant, natural atmosphere of well-being.

Contains alpha-pinene, limonene, beta-pinene, β -phellandrene, beta-caryophyllene.
