

Swiss Stone Pine Duvet

All-season duvet made of cotton, filled with virgin sheep's wool and stone pine flakes. The Swiss stone pine, also known as Arolla pine, contains an essential oil in its wood that exudes a unique, tangy, spicy scent. More and more enthusiastic customers find this fragrance conducive to healthy, restful sleep. Our Swiss stone pine quilt, which can be used all year round, contains Swiss stone pine flakes in combination with cosy, natural sheep's wool. Enjoy the fir-spicy scent of Swiss stone pine, which is commonly perceived as conducive to healthy, restful sleep.
