

## Sanct Bernhard Sport Fireprotect Skinprotect-Cream

For a preventive protection of tensed, stressed body parts

The sensitive skin in this area is highly stressed through some form of sport, e.g. cycling and hiking. By rubbing in of Fireprotect Skinprotect-Cream it forms itself a protecting and caring film around the skin, so that excoriations can be stopped. The skin becomes more resistant and resilient. Natural extracts of marigold and birchbark have an anti-inflammatory and soothing effect on irritated skin.

For additional care and regeneration after sports, we recommend our Aktiv3 Marigold regeneration cream.

**Ingredients:** Petrolatum, Paraffinum Liquidum, Glycine Soja Oil, Betula Alba Bark Extract, Calendula Officinalis Extract, Daucus Carota Extract, Beta-Carotene, Tocopherol.

Note: Do not use this product if you are allergic to the Asteraceae (daisy) family.
