

Ginkgo Capsules 75 mg

Nutritional supplement with flavon glycosides and ginkgolide terpenlactones

Useful information: The Japanese temple tree Ginkgo biloba is one of the oldest trees in the world. Its valuable materials have been treasured for centuries. The key substance is found in the leaves of the tree and can be concentrated into a special extract via a multi-stage process.

Each capsule contains 75 mg Ginkgo-biloba special extract (50:1; extracting agent water 30 % and ethanol 70 %) each with 18.4 mg flavon glycosides and 4.9 mg ginkgolide terpenlactones.

Ingredients: Corn Starch and Calcium Carbonate (bulking agents), Gelatine, Extract from Ginkgo-biloba Leaves (17 %), Magnesium Stearate (separating agent).

	per capsule (= daily dose)	per 100 g capsules
Ginkgo-biloba extract (50:1)	75 mg	17 g
Flavon glycosides	18.4 mg	4 g
Ginkgolide terpenlactone	4.9 mg	1 g

Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011 not available.

Recommended dose: Swallow 1 capsule daily with meals with sufficient liquid.

Ginkgo has a slight blood thinning effect. Persons taking blood thinning medication (anticoagulants) should consult their doctor before consumption.

Keep dry and out of direct sunlight. Store below 25°C.

Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Made in Germany

240 capsules = 105 g
