

Organic Rosehip Juice

100 % fruit juice
Unsweetened fresh juice from controlled organic cultivation

Useful information:

Rosehips, the bright red fruits of the wild or dog rose, are a delicious, substantial gift from nature. The sweet-sour flesh is popular with young and old alike. For our 100% pure rosehip juice, whole rosehips from controlled organic cultivation are gently pressed and finely strained. The result is a tasty, pleasantly refreshing direct juice, half of which consists of fruit pulp puree. Organic rosehip juice can be enjoyed straight, but can also be mixed with water or other fruit juices. Vegan, no added sugar or preservatives.

Ingredients: Rosehip juice (50 %), rosehip puree (50 %). All ingredients from controlled organic cultivation.
