

Base tea

Herbal tea blend with fennel, aniseed and lemongrass.

A high-quality and tasty blend of selected herbs for your well-being.

The balance between acids and bases is particularly important for a healthy metabolism. This balance is decisive for many processes within our organism and the connective tissue function.

This herbal tea blend supports a good acid-base balance in a flavoursome way.

Ingredients:

Fennel 23 %, lemongrass 20 %, aniseed 20 %, cumin, black cumin, liquorice root, raspberry leaves, rooibos tea and diced carrot.

Recommendation for preparation:

Use 1 filter bag for 1-2 cups, add boiling water and brew covered for 8-10 minutes, stirring occasionally.

Sweeten as required.

Close properly and store in a cool, dry place.

Content: 40 g

20 filter bags, each 2.0 g net weight when packed, sufficient for 40 cups

Art. No. 389
