

tierlieb Beer Yeast Tablets

Feed for horses, dogs, cats and small animals

Useful information:

Natural high-quality beer yeast as a supplement with B vitamins to promote strong hooves and claws, as well as shiny fur and resistant skin. Beer Yeast Tablets are rich in essential amino acids, B-vitamins and trace elements. They support the energy metabolism and the function of the nervous system. They promote the general vitality and reduce fatigue symptoms. The yeast cell wall components support a healthy and normal digestion.

Composition: beer yeast (*Saccharomyces cerevisiae*)

Analytical components/kg: Crude protein 46.5 %, crude fat 3.4 %, crude fibre 0.5 %, crude ash 5.8 %, sodium <1 %.
