

Pomegranate Body Oil

Enjoy this soothing care experience for the whole body with the exotic-fruity scent and the regenerating power of the pomegranate! The pomegranate has been a symbol of vitality, beauty and youth for thousands of years in many cultures. The precious seed oil in particular gives your skin moisture and youthful freshness. It is rich in unsaturated fatty acids and bioactive ingredients that protect against harmful environmental influences and have a positive effect on the regeneration of skin cells. Almond oil, evening primrose oil, jojoba oil, macadamia nut oil and vitamin E optimally compliment the nourishment. Dry, flaky, mature skin becomes smooth again, supple and radiantly beautiful.

Ingredients: Helianthus Annuus Seed Oil, Prunus Amygdalus Dulcis Oil, Punica Granatum Seed Oil, Simmondsia Chinensis Seed Oil, Oenothera Biennis Oil, Macadamia Integrifolia/Tetraphylla Seed Oil, Tocopherol, BHT, Parfum.
