

Panthenol Body Lotion

with 5 % Dexpanthenol

Ideal for the care of sensitive, irritated, dry skin. The skin protection vitamin dexpanthenol, also known as provitamin B5, D-panthenol or simply panthenol, protects and soothes irritated skin palpably and visibly, for example after frequent showers, after sunbathing or after shaving the legs. Panthenol increases the moisture capacity of the skin and reinforces its natural barrier function. It supports new cell growth and thus contributes to regeneration. In addition, panthenol also soothes itching and has anti-inflammatory properties. It is also perfect for caring for sensitive baby skin. Free of perfume, colour and preservatives.

Ingredients: Aqua, Panthenol, Decyl Oleate, Pentylene Glycol, Propanediol, Propylene Glycol, Dicaprylyl Carbonate, Glycerin, Cetearyl Alcohol, Sodium Hydroxide, Sodium Cetearyl Sulfate, Acrylates/C 10-30 Alkyl Acrylate Crosspolymer, Tocopherol.
