

Hair Setting Spray

With chamomile extract and silk proteins

Gives your hairstyle more volume, hold and bounce. Apply the Hair Setting Spray to damp hair. Comb through and blow dry your hair as normal or leave to air dry. Precious silk proteins make your hair shine. When combined with chamomile extract, they create full-bodied, well-nourished hair. For voluminous hair with a natural bounce and an elastic hold.

Ingredients: Aqua, Alcohol denat., VP/VA Copolymer, Chamomilla Recutita Flower Extract, Sericin, Propylene Glycol, Phenoxyethanol, Dehydroacetic Acid, Benzoic Acid, Potassium Sorbate, Citric Acid, Perfume.
