

Super 20 Sun Protection Milk

An effective broad-spectrum sun protection product, which absorbs as many UV-B-rays as necessary, but at the same time it lets a controlled amount of UV-A-rays on the skin and so it makes a safe bronzing possible. Contains high-dosed aloe vera gel, naturally pure jojoba oil, vitamin E, carrot oil, vitamin C, D-panthenol and natural moisturising factors.

Aloe Vera gives moisture, protects the skin against reddening and irritations and calms sensitive skin.

Jojoba oil gives the product special skin friendliness, makes the skin soft and smooth and gives it a natural protection.

Vitamin C+E protect the cells against free radicals, stimulate the blood circulation in the skin and intensify the bronzing.

Super 20 Sun Protection Milk spreads well on the skin, is quickly absorbed and UV resistant. It is very well tolerated and, therefore, recommendable for sensitive skin. Apply generously 30 minutes before sun exposure. Avoid contact with eyes and textiles, durable stains can be caused.

Application: apply generously 30 minutes before sunbathing. Applying small amounts reduces the protection level. Avoid the strong midday sun. Repeat application regularly to maintain sun protection, especially after swimming. Protect babies and toddlers against direct sunlight and use protective clothing as well as sun cream with a high protection factor (SPF higher than 25). Even sun creams with high sun protection factors do not offer full protection against UV rays, therefore do not remain in the sun for too long.

Avoid contact with the eyes and textiles - permanent stains are possible.

Ingredients: Aqua, Caprylic/Capric Triglyceride, Ethylhexyl Methoxycinnamate, Propylene Glycol, Propylheptyl Caprylate, Aloe Barbadensis Leaf Juice, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Pentylene Glycol, Simmondsia Chinensis Seed Oil, Ceteareth-12, Dimethicone, Zinc Oxide (nano), Cetearyl Alcohol, Tocopheryl Acetate, Panthenol, Xanthan Gum, Aloe Barbadensis Leaf Extract, Sodium Ascorbyl Phosphate, Glycine Soja Oil, Sodium Lactate, Sodium PCA, Sodium Cetearyl Sulfate, Lactic Acid, Fructose, Urea, Niacinamide, Inositol, Daucus Carota Sativa Root Extract, Beta-Carotene, Tocopherol, Lecithin, Helianthus Annuus Seed Oil, Ascorbyl Palmitate, Glycine, Triethoxycaprylylsilane, Phenoxyethanol, Dehydroacetic Acid, Benzoic Acid, Sodium Benzoate, Parfum.
