

## tierlieb Bronchial Herb Pellets

Nutritional supplement for horses in support of body defence mechanisms

Tierlieb Bronchial Herb Pellets contain 100 % tasty herbs and seeds for the nutrient-related reinforcement of the body's own defence mechanisms and the immune system. The selected composition of tried and tested herbs supplies healthy plant-based active ingredients which are good for the throat and pharynx and support the airway functions. Independent of the season, tierlieb Bronchial Herb Pellets can be regularly mixed with the main feed in order to upgrade it with healthy herbs.

**Analytical contents:** Crude protein 25.3 %, crude fat 9.1 %, crude ash 7.1 %, crude fibre 10.1 %, calcium 1.0 %, sodium 0.1 %, phosphorous 0.6 %.

**Composition:** Black cumin cake, ribwort plantain leaves, willow bark, camomile flowers, Iceland moss, marshmallow root, sage leaves, eucalyptus leaves, thyme leaves, aniseed, fennel.

**Feed recommendation:**

One horse, depending on body size, receives approx. 50-70 g per day (a large handful of pellets totals approx. 60-70 g). For a supply of healthy herbs, in support of treatment or during a flu infection, add to feed for up to three weeks or until the complaint has improved. tierlieb Bronchial Herb Pellets can be added to feed all year round as a healthy treat and for general support of the defence mechanisms.

Due to the high quantity of herbs, the anti-doping and medication control rules laid down by the Deutschen Reiterlichen Vereinigung (German Equestrian Federation FN), a grace period of 48 hours is recommended.

Keep dry and out of direct sunlight. Store below 25°C.
