

Beer Yeast Tablets

Nutritional supplement

Useful information:

As a by-product from beer brewing, beer yeast literally has what it takes. Just a few carefully selected ingredients, such as hops, malt and water give it a feeding ground when brewing beer. The result is a natural, complex combination of nutrients that is important for the entire organism. Beer yeast has particularly proven itself in maintaining a **beautiful, clean skin**.

Beer yeast tablets consist of pure beer yeast without further additives.
Each tablet contains 500 mg beer yeast (*Saccharomyces cerevisiae*).

Ingredients: Natural Beer Yeast (99 %), separating agent Silicon Dioxide. Contains gluten.

| | per tablet | per daily dose (=15 tablets) | per 100 g |
|------------|------------|---------------------------------|-----------|
| Beer yeast | 500 mg | 7500 mg | 99 g |

Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011 not available.

Recommended dose: swallow 5 tablets 2-3 times per day at meal times with sufficient liquid.

Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.
Keep dry, out of direct sunlight and below 25°C.
