

tierlieb **Mane Spray**

Intensive care for mane, tail and hair

Useful information:

Tierlieb Mane Spray provides moisture, facilitates combing and make the hair smooth and soft. Reduces itching at the base of the hair and has a skin-nurturing and antimicrobial effect. Regular care with *tierlieb* Mane Spray protects the hair against drying out and dandruff, and gives it shine and elasticity.

Composition: Water, urea, nurturing extracts (from nettle, birch, camomile, yarrow, rosemary, horsetail, sage), extracting agent, betaine (from sugar beets), preservative, salicylic acid.

Recommendations for application: Spray mane and tail evenly and then comb or brush it. To care for the base of the hair, spray *tierlieb* in the hair roots and massage in slightly. Also suitable for fur care. Do not spray into the eyes.

Made in Germany

Contents 500 ml
