

Pomegranate Shower Oil

Pomegranate Shower Oil – everyday source of wellbeing. With the fresh and delicate fragrance and the regenerating effect of the pomegranate. Pomegranate Shower Oil for the care of your skin contains the valuable oil of the pomegranate seeds. It leaves skin velvety soft and radiantly beautiful.

Pomegranate seed oil is rich in unsaturated fatty acids and bioactive ingredients, that help protect from damaging environmental influences and have a positive effect on the regeneration of skin cells. At the same time, the skin's natural protective layer is actively supported and not unnecessarily degreased. Bisabolol, the active ingredient of the chamomile, and panthenol have an anti-inflammatory and soothing effect.
