

Orange Universal Cleaning Agent Concentrate

- With the grease-dissolving power of oranges
- A natural, fresh orange fragrance
- Suitable for all household surfaces

The grease-dissolving and preserving properties of orange oil ensure efficient cleaning power in a completely natural, environmentally-friendly manner without the addition of aggressive bleaching agents, optical brighteners, phosphates, acids or lyes. All surfactants are easily and fully **biologically degradable** (acc. OECD test method 301).
