

Eskimo Anti-dandruff Shampoo

For severe dandruff and greasy hair

Recommended in case of severe dandruff which sticks to the hair, which is often combined with greasy hair and irritating itches. Cleans in a mild, gentle manner, and is therefore highly suitable for the care of sensitive scalps. Dandruff is loosened from the scalp and removed during washing. The anti-dandruff formula with piroctone olamine and sodium salicylate inhibits the fungus causing dandruff and thus reduces its occurrence. At the same time the scalp is soothed and the itching reduced.

- Free from added fragrances and colours

Application: Foam up Eskimo Anti-dandruff Shampoo in wet hair, massage in and leave to take effect for 3-5 minutes. Then rinse out carefully. We recommend the application over a prolonged time period, possibly in alternation with our Eskimo Shampoo for daily, mild hair washing.

Ingredients: Aqua, Sodium Laureth Sulfate, Glycerin, Lauryl Glucoside, Sodium Chloride, Inulin, Piroctone Olamine, Laureth-9, Citric Acid, Coco Glucoside, Glyceryl Oleate, Sodium Citrate, Sodium Salicylate, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid, Hydrogenated Vegetable Glycerides Citrate, Lecithin, Ascorbyl Palmitate, Tocopherol.
