

Hyaluronic Acid Capsules 400 mg

Nutritional supplement with hyaluronic acid and vitamin C

Useful information:

Hyaluronic acid is a natural element of the skin, connective tissue, fluid in the joints (synovia, joint lubrication) and cartilage. Its ability to absorb large amounts of water is remarkable. Vitamin C contributes towards normal production of collagen, and therefore the normal, healthy function of bones, cartilage and skin.

Ingredients:

Hyaluronic Acid (66 %), Gelatine, Vitamin C, Microcrystalline Cellulose (bulking agent), Magnesium Stearate (separating agent).

Each capsule contains 80 mg vitamin C and 400 mg pure hyaluronic acid.

	per capsule (= daily dose)	% of NRV recommended daily dose*	per 100 g capsule
Hyaluronic acid	400 mg	**	66 g
Vitamin C	80 mg	100	13 g

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

** no reference value available yet

Recommended use:

Swallow 1 capsule daily with sufficient liquid.

Store protected from light, dry and below 25 °C.

Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Made in Germany

Contents 120 capsules = 71 g
